

Mr. Barrett, Computer Science
 Alice Capstone Project, Grading Rubric

Story:

30 pts	20 pts	10 pts	0 pts
Story is one full page, double spaced, 12pt font; or two full pages, double spaced, 12pt font in script form. Margins have not been modified from their original, Microsoft Word specifications.	Story is less than one full page, double spaced, 12pt font; or less than two full pages, double spaced, 12pt font in script form; or the margins have been modified from the original, Microsoft Word specifications.	Story was submitted but is lacks substance, does not meet the length and formatting specifications, and is not written in a cohesive manner.	Story was not submitted

Transition Board:

20 pts	10 pts	5 pts	0 pts
Transition board is an exact replica of the written story	Transition board replicates the written story, but is not an exact replica.	Transition board was submitted, but does not depict character movements, and does not follow along with the story.	Transition board does not replicate the written story.

Program:

50 pts	25 pts	12.5 pts	0 pts
Program is an exact replica of the transition board and story; and the camera angles are easy to follow.	Program replicates transition board, but is not an exact replica; and/or camera angles make the story difficult to follow.	Program partially replicates transition board and story; and/or camera angles make the story difficult to follow.	Program does not replicate the written story or transition board -- or program was not submitted.
